

# 2008 College Information Program (CIP) Schedule

Still have more questions about going to college? Throughout the fall, you will have the opportunity to meet representatives from Ontario's colleges through the College Information Program (CIP).

During six weeks each fall, the CIP tours the entire province. Not all colleges, however, are able to participate in all CIP events. If the college of your choice is not visiting your area, please contact the Liaison Department at that college.
