

COMMUNITY EMPLOYMENT SERVICES Services d'emploi communautaires

Northern College is proud to offer Employment Ontario employment services for our local communities.

Services

Self-Service Resources and Information

Anyone, including people with jobs, those who are under-employed, people looking for work, students, apprentices, internationally trained individuals, and employers.

Assisted Services

Supported job search, job matching and placement, job retention services, for people who are unemployed and out of school. Assessment centres available for all government funded programs.

Employment

- ↗ Information about different careers and occupations; the local labour market
- ↗ Employment and training opportunities
- ↗ On-the-job training and/or work experience
- ↗ Summer job service: students 15 to 30 years

- ↗ Helping Ontarians find sustainable employment
- ↗ Assessment of skills, capabilities, interests and experience
- ↗ Job search strategies, including resume preparation
- ↗ Additional support to help maintain employment
- ↗ Information about all Employment Ontario programs and services
- ↗ Access to Second Career program to provide laid-off workers with skills training for high-demand occupations
- ↗ Information about, and referral to, other community services, supports and government funded programs.

Training

Employers can get help in identifying their human resource skill requirements, matching of position / workplace needs to participants' skills, capabilities, interests and experience, and support for developing on-the-job training plans and monitoring of placements to support success and retention.

Incorporates services previously provided through Job Connect, Employment Assistance Services (EAS), Employment Resource Centres and other programs. Summer Jobs Service program remains separate for the time being.
