## DID YOU KNOW?

Northern's School of Health Sciences boasts a state-of-the-art simulation lab.

Northern's School of Welding Engineering Technology has received national and international recognition.

Northern is one of only two colleges in Ontario to have a live fire training centre on campus as part of its Pre-Service Firefighter Program.

The Northern College Veterinary Sciences Centre opened in September 2009. The state-of-the-art laboratory and teaching facility located at the Haileybury campus will draw student and research expertise to Northeastern Ontario.

Northern is one of 4 colleges in Ontario that has partnered with Hydro One. Northern College will train job-ready graduates for employment with Hydro One.

Northern College delivers programs in many ways including but not limited to: web-based, E-learning, correspondence, evenings & weekends, on-site training, classroom, face-to-face format and video conferencing.

The Northern College Aboriginal Council on Education acts as a voice on behalf of the Aboriginal Community and assumes a leadership role in Northern College.

Native Student Advising Services are available at each of Northern College's four campuses (Haileybury, Kirkland Lake, Moosonee and Porcupine).
