

Northern College and Hydro One will be announcing an innovative, multi-year/multi-million dollar initiative that will benefit electricity-sector employers and Northern College students.

You are invited to attend this exciting joint announcement  
November 29, 2007  
11:00 a.m.  
Electrical Apprenticeship Lap  
Porcupine Campus

Please RSVP by calling or emailing Pierrette Fortier, 235-3211 ext. 2135, [fortierp@northern.on.ca](mailto:fortierp@northern.on.ca) by November 23<sup>rd</sup>.

With approximately 40 percent of Hydro One's employees eligible to retire within the next few years, coupled with growth fuelled by changes in the electricity industry, there is a great opportunity to attract and educate the future employees of the electricity transmission and distribution utility sector.

Northern College and Hydro One are looking forward to sharing the details of this new initiative with you.
