

Guiding Principles of the Northern Educational Experience

Learning for success

Career opportunities through innovative
education and transferable skills

Practical, hands-on experiences

Value for your investment

Support for lifelong learning

A healthy, adaptive and progressive
organizational culture

Indigenous Statement of Commitment

In aspiring to become the college of choice for Indigenous learners, we shall act upon the recommendations of the Truth and Reconciliation Commission and the Indigenous Education Protocols developed by Colleges and Institutes Canada; and we shall conduct ourselves within the spirit of Indigenous Peoples Teachings.

Vision

Success for all through learning
and partnerships.

Mission

Excelling in quality, accessible education
through innovative programs, services
and partnerships for the benefit
of our northern communities.

**Your College.
Your Community.**

Commitments

At Northern we:

Are open, consultative and accountable

Act with personal responsibility and
integrity

Pursue collaborative partnerships and
entrepreneurial opportunities to better
serve all of our communities

Foster and encourage a safe, caring
and respectful organizational culture

Support, nurture and celebrate the
contributions and accomplishments
of learners and employees

Respond to the choices and directions
of Indigenous peoples

Establish an organizational culture that
reflects the diversity of our communities

Engage in applied research in the
pursuit of northern development and
continuous improvement

Connect our learners and communities
through the application of accessible
and innovative technology

Practice ethical decision making that
engenders trust while safeguarding
the College and individuals

Use our natural and built environments
observing conservation and sustainable
practices

Enhance the quality and access to
college education through global
initiatives
