

Practical Nursing

Dear Practical Nursing Student,

Congratulations and welcome to Northern College! We are quite pleased to welcome you to the Practical Nursing Program. An essential part of your nursing education consists of clinical placement, which you are introduced to in the second semester.

This package contains information related to the mandatory clinical requirements all students must have in order to participate in clinical placements/practicums:

- Submitting clinical requirements to Northern College
- Clinical requirements checklist
- Clinical requirements table
- Immunization and communicable disease testing requirements form
- PN Annual Forms for Review and Agreement
- Criminal record check and vulnerable person sector check information sheet

Students must complete and submit all mandatory clinical requirements by the due date of August 15th. Nursing department staff require time before the fall semester starts to process student documents.

You are responsible for reviewing and completing all of the clinical requirements included in this package, and submitting required documents by the stated deadlines.

If you have any questions about the contents of this package. Please contact:

ClinicalRequirements@northern.on.ca

Submitting Clinical Requirements

- A. All documents must be either scanned or photographed and sent by email to the following email addresses according to your campus:

Timmins Campus: ClinicalRequirements@northern.on.ca

Kirkland Lake or Haileybury Campuses: whelanm@northern.on.ca

Keep original copies of required forms, reports and documents in a safe place. You will need these documents for employment following the completion of your program.

- B. **Documentation that will be accepted as proof of immunization and communicable disease testing includes:**
- a copy of your Ontario Public Health Immunization Record, or other Health Care Provider, immunization record (stamped and signed by the HCP)
 - copies of your laboratory testing results (report)
 - all documents must be provided in English
- C. Students and their clinical teachers are guests in the Health Care and Emergency Services agencies in which clinical placements occur. These Agencies have the right to require mandatory immunizations and communicable disease testing from us. **Failure to comply will result denial of access to clinical attendance. This will jeopardize your success in the program. Students who are unable to attend clinical cannot pass the course to which clinical practice is attached.**
- D. Immunizations and communicable disease testing, are not subject to accommodations for philosophical reasons and only a medical exemption will be accepted.
- E. **NOTE: It is your responsibility** to inform program personnel of health information that may need to be considered in order to protect you and/or the clients in the clinical setting. **Please review the College of Nurses of Ontario's *Requisite Skills and Abilities for Nursing Practice in Ontario*, Fact Sheet at:**
<http://www.cno.org/globalassets/docs/reg/41078-skillabilities-4pager-final.pdf>
- F. Students will also need to purchase some additional items required for laboratory and clinical attendance as outlined below. **Please do not purchase these items** until after the program orientation in September, as additional details will be presented at that time.

F. COVID-19 – Vaccination

COVID-19 vaccination is strongly recommended for all health care workers. This includes staff who work in, and students who study in a hospital, LTC agency, and any other health care delivery agency.

- Students attending clinical hours are considered workers in the health care agency during attendance.
- An employer/clinical partner agency may choose to create their own policies regarding mandatory staff/student immunization against COVID-19 as a protective measure for residents and patients. Northern College will be required to adhere to these policies as a requirement for staff and students attending clinical.
- Students may be required to submit documentation for receiving the COVID-19 vaccination prior to attendance at health care agencies where the employer has a policy stating that health care workers are required to be immunized for COVID-19 in order to care for residents and patients. In this case, students who do not meet this requirement will not be permitted to attend clinical hours and will not meet the expectations for the practical component of the program course, which will result in course failure.
- Students who may receive a COVID-19 vaccine, as the provincial vaccination program takes place, are encouraged to safely keep the official documentation of having received this vaccination. Agencies may require students to produce this evidence before or during the coming academic year as a requirement for clinical attendance.
- **Students will be informed of updates, clarification and changes to this requirement as information is confirmed.**

G. Influenza – Flu Vaccination

The annual Influenza vaccination becomes available in late October.

****SUBMIT COPY OF IMMUNIZATION RECORD FOR INFLUENZA VACCINE WHEN RECEIVED DUE BY NOVEMBER 30TH**

Most Health Care and Emergency Services agencies have mandatory requirements for immunizations and communicable disease testing, prior to employment. Since clinical placements necessitate that students have the same immunization and occupational abilities as agency employees, failure to comply with immunization standards may preclude students from participating in clinical placements and will jeopardize success in the program.

PN Annual Forms for Review and Agreement

All Students enrolled in the PN Program are required to read, understand and agree to abide by the criteria outlined on the following forms:

- **Current Student Contact Information**
- **PN Acknowledgement of Student Manual**
- **Code of Conduct/Student Behavioural Agreement**
- **Academic Integrity and Statement of Confidentiality**
- **Nursing Laboratory Contract**
- **Freedom of Information and Protection of Personal Privacy**
- **Timmins & District Hospital Healthcare Team Privacy & Confidentiality Agreement**
- **Acknowledgement of Risk for Clinical Settings Statement**

Your submission will be taken as your signed agreement.

All PN-Annual Forms may be accessed on the Blackboard Course called "**PN-Annual Forms: PN Annual Forms for Review and Agreement**" on the Northern College Blackboard site. Once you have registered in the program you will be provided a username and password to access this site.

Canadian Criminal Record Check and Vulnerable Person Sector Check

The Schools of Health Sciences and Emergency Services require successful completion of placements and/or visits in a variety of agencies that may include schools, health, community and social agencies. Students will be working with or have unsupervised access to, **vulnerable persons*** while on placement, and therefore must complete a satisfactory Criminal Record Check and Vulnerable Person Sector Check prior to having direct contact with vulnerable persons.

***Vulnerable persons** are defined by the Criminal Records Act as: “persons who because of their age, disability or other circumstances, whether temporary or permanent, are in a position of dependence on others or who are otherwise at a greater risk than the general population of being harmed by persons in a position of authority or trust relative to them.”

Without a clear Canadian Criminal Record Check and Vulnerable Person Sector Check, **a placement agency will deny a student access to their premises.**

Health Sciences students must provide **1 ORIGINAL copy** of their Canadian Criminal Record Check with Vulnerable Person Sector Screening (**photocopies will not be accepted**).

To Apply for a Vulnerable Sector Check:

Applications **must be completed at your local Police Service**. If you do not live in the Timmins area, you must apply prior to moving or you will need to complete a change of address prior to applying in the Timmins area.

If you are not yet 18 years of age, you can not apply. This will not affect your ability to attend clinical hours. You must apply after your 18th birthday, and submit your Check at that time.

You must bring with you:

- 1) **2 pieces of identification** - One photo ID and one document that states your full name and current address.
- 2) **A letter from the college** stating your name, date of birth, program of study and why you require a Vulnerable Sector Screen. (please see information below)
- 3) A **completed application form** - follow the links below for more information or contact your local police service for application forms

Letter from the College: In order to apply for your Vulnerable Sector Screening, Police Services require a letter from the college, stating that the student is enrolled in their program, and must be signed by the Dean of Health Sciences and Emergency Services. This letter will be prepared by the college and mailed to each student. If you do not receive a letter, please contact the Program Assistant, Mikayla Toyne at extension 2187 or by email at toynem@northern.on.ca, to provide your name date of birth and full address. A letter can then be produced and sent to you, or you may pick up the letter at the college.

Application Forms: Go to your local police service’s website to obtain a form to complete to apply. In the Timmins area, please follow the links below for the application forms:

Timmins Police: <http://www.timminspolice.ca/non-policing-services/police-record-checks-forms-available-download/>
Ontario Provincial Police: <https://www.opp.ca/index.php?id=115&entryid=56a1276d8f94acdb5824a3d7>

IMPORTANT: Your check must be less than 6 months old, in January of next year. DO NOT APPLY UNTIL AFTER AUGUST 1st.

Any cost incurred when obtaining the Criminal Record Check and Vulnerable Person Sector Check is the student’s responsibility.

International students must apply for a Canadian Criminal Reference check.
