

Post-Secondary Placement Requirements

Every student attending the Timmins and District Hospital (TADH) for post-secondary placement purposes is required to provide the TADH with the following documentation no less than 30 days prior to the commencement of their scheduled placement:

1. Copy of a recent Criminal Police Check (CPC) including the vulnerable sector screen.
2. Training:
 - i) Proof of completion of WHMIS training including an introduction to the Global Harmonized System (GHS).
 - ii) Copy of the “**Proof of Completion Certificate**” for the MoL’s “**Worker Health and Safety Awareness in 4 steps**”. The module is accessed in the **eLearning** section of this link:

<http://www.labour.gov.on.ca/english/hs/training/workers.php>

Note: All placement students are required to participate in TADH’s OHS orientation training prior to or during the early stages of their placement. You will be provided with the specifics prior to or shortly after the commencement of your placement.

3. Evidence of: (i.e. immunization record)
 - a) Results of two-step (Mantoux) TB skin test and a one-step TB skin test if the Mantoux skin test is older than a year. Students with a (+) skin test are also required to provide evidence of a (-) chest X-ray; and
 - b) immunity for:
 - i. hepatitis B ;
 - ii. measles, mumps and rubella (MMR) ;
 - iii. varicella ;
 - iv. tetanus (not older than 10 years), and
 - v. COVID-19 (two doses)

Students are also encouraged to maintain immunity for influenza.

4. Proof of N95 respirator mask fit testing within the last year for one of the following masks:
 - 3M 9210+
 - 3M 1860S
 - 3M 1870+
 - 3M 8110S
 - Moldex 1511 – S
 - Moldex 1512 – M
 - Moldex 2300 – M
 - Moldex 2301 – S
 - Moldex 2600 – M
 - North 7240
 - Sperian N9520F-M
 - Sperian N9520F- L

The TADH can provide mask fit testing at a cost of approx. \$40 per person. To schedule an appointment please contact our *Employee Health Dept.* at (705)267-2131 ext. 2174.
