

## **NOTICE OF INTENTION**

We hope you're enjoying the summer and all it has to offer. Northern College is in the process of gearing up for a new academic year and we would like to invite you to join us again.

All 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year returning students are required to register for the new 2021-2022 academic year by completing the enclosed **PAYMENT/REGISTRATION** form. For tuition fee schedules you may refer to our website [www.mynorthern.ca](http://www.mynorthern.ca). Please note you must return the form to **Student Services** immediately in order to complete your registration.

Your **non-refundable tuition and fee registration deposit must** be submitted with the registration form (both pages completed) by July 30<sup>th</sup> to guarantee your seat in your program of study. Students are reminded that full tuition or first semester and ancillary fees are due by September 3<sup>rd</sup>, 2021 or a late fee of \$150.00 will apply. See the second page of the Tuition Fee Payment/Registration Form for due dates.

Students who do not have clear promotion standing into the second, third or fourth year must contact the appropriate Program Coordinator in order to confirm course registration and program eligibility. You are encouraged to do this as early as possible.

The majority of post secondary programs will continue for a 30-week academic year. Orientation will take place on **Tuesday, September 7<sup>th</sup>** and classes will begin on **Wednesday, September 8<sup>th</sup>** for all 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year students.

Other pertinent information will be posted in August on [www.mynorthern.ca](http://www.mynorthern.ca) including the academic calendar.

Please feel free to contact Student Services at the campus you will be attending should you have any questions or if you require further assistance.

**REGISTER TODAY...DON'T DELAY!**

Have a safe and enjoyable summer! We look forward to seeing you back at Northern this fall.

**January 7<sup>th</sup>, 2022**

A late fee of \$150 will be applied if winter semester fees are not paid in full.

If you have applied for OSAP funding, your winter semester fees are due within 7 days of receiving your OSAP funding, otherwise, the late fee will apply.

**Students who redirect their OSAP funding to the college to pay their tuition fees may be exempt from the late fee.**

\*\*\*Note: Spring semester dates will be posted on our website as soon as they are available.

**I UNDERSTAND AND AGREE THAT:**

- All fees must be paid according to the above mentioned timelines.
- The College will withhold my transcript, diploma, certificate and other academic documents until all fees have been paid in full.
- I acknowledge that I am not officially registered until all fees owing from previous years have been paid in full. I can contact Student Services to review options.
- I further acknowledge that after the 10<sup>th</sup> day of scheduled classes in each semester, if I withdraw from the College with or without formal notice, I am responsible for any outstanding tuition assessment, residence, or any other charges still owing to the College in that semester.
