

JOB POSTING

FIELD TECHNICIAN

GHD is one of the world's leading professional services companies operating in the global markets of water, energy and resources, environment, property and buildings, and transportation. GHD provides engineering, architecture, environmental and construction services to clients. Focused on creating lasting community benefit, with high standards of safety, quality, and ethics.

GHD is seeking a contract Field Technician for a period of six months at the former Long Lake Gold Mine (LLGM) location in Greater Sudbury, ON.

Responsibilities include, but are not limited to:

- **Carrying out quality control of materials**
- **Testing of soils and construction materials**

Skills and Qualifications

- **Previous environmental sample collection experience**
- **Familiarity with the Long Lake Mine Site and trail access in the area**
- **Current first aid training**
- **Proficient with MS office suite of products (Word, Excel, PowerPoint, Outlook, and Teams)**
- **Excellent time management skills**
- **Strong communication skills**
- **Valid driver's license and personal vehicle required**

To apply for this position please send your resume with the subject "GHD" to ecdev@wfn.com.
