

Dear New International Students for Fall 2020,

Greetings from Northern College!

Recently, we have received a lot of questions for a support letter to travel to Canada for your Fall 2020 program study.

Please note the following:

- With the current travel restrictions, you travel must be for “**essential purpose**” or “**non-discretionary**” or “**non-optional**” even though you have obtained your student visa before March 18th, 2020.
- With the current travel restrictions, Northern College only issues support letters to those who received their visa before March 18th, 2020 and who must physically show up on campus to complete their Fall 2020 program for a lab/workshop/on-site practice requirement for Fall 2020 semester. Please review the attached table on the second page for programs that require students to physically show up on campus.
- For those who received your study visa before March 18th, 2020 but who have all of your courses offered online for Fall 2020, the College strongly suggests you to start your program from your home country online for Fall 2020 rather than travel to Canada as your travel might be taken as “Non-essential” or “Discretionary” or “Optional”, thus you might be refused entry to Canada.

If you have any questions, please contact international@northern.on.ca.

We look forward to learning with you soon!

The Northern College International Team

Programs which require students to physically show up on campus for Fall 2020 semester:

M001	Instrumentation & Control Engineering Technician
T007	Electrical Engineering Technician
T110	Motive Power Technician - Automotive Service
T121	Motive Power Technician - Heavy Equipment
T122	Mechanical Technician -Industrial Milwright
W110	Mechanical Engineering Technician
W138	Welding Engineering Technician -Inspection (Co-op)
W010	Welding Engineering Technician -Inspection
W009	<i>Welding Engineering Technology</i>
W139	<i>Welding Engineering Technology (Co-op)</i>
W251	Mechanical Technician -Welder Fitter (compressed)
H099	Paramedic
H117	Practical Nursing
H136 (PC)	Personal Support Worker
H138 (KL)	
H139 (HL)	
H150	Medical Laboratory Technician
