- (e) not remove or obscure proprietary rights notices that appear on Confidential Information and copies thereof; and
- (f) advise the College promptly in writing of any unauthorized disclosure or use of Confidential Information.

Supplier shall cause its agents, subcontractors and employees to whom it may be permitted to disclose or provide any such Confidential Information to comply with the provisions of this Section 8.1. Upon termination of this Agreement, Supplier shall return or destroy all Confidential Information as directed by the College.

(3) The requirements of Section 8.1(2) shall not apply in respect of any Confidential Information that is compelled to be disclosed by an order of a court of competent jurisdiction or alternatively by an order of a governmental authority having jurisdiction, provided that Supplier shall, to the extent it is not legally prohibited, promptly (and prior to any disclosure) provide notice to the College of any request to disclose Confidential Information so that the College has an opportunity to object to the production or disclosure of

the requested information and request a protective order or other appropriate remedy from the relevant governmental authority. If such protective order or other remedy is not obtained or the College does not waive compliance with the provisions hereof, then Supplier agrees to disclose only that portion of the Confidential Information which it is legally required to disclose. Supplier shall provide, in a timely manner, all reasonable cooperation, assistance and information in its possession, custody or control as is necessary for the College to obtain a remedy against disclosure pursuant to any order, process or request described in this Section.

8.2 Personal Information

(1) Supplier acknowledges that in the course of providing the Goods and/or Services contemplated under this Agreement, it may be privy to personal information, which includes factual or subjective information (recorded or not) about an identifiable individual ("**Personal Information**"). Supplier agrees that all right, title and interest to such Personal Information, as between Supplier and the College, is the exclusive property of the College. In handling the Personal Information, Supplier shall:

- (a) adhere to applicable Privacy Laws;
- (b) comply with all policies and procedures of the College relating to privacy and the protection of Personal Information, as provided to Supplier in writing by the College from time to time;
- (c) appoint an individual who will be responsible within Supplier to handle the Personal Information;
- (d) use appropriate security measures to protect the Personal Information from unauthorized access or use;
- (e) limit the use of Personal Information to the purposes specified and necessary to carry out this Agreement or as prescribed by law;
- (f) limit disclosure of Personal Information to what is authorized in writing by the College or required by law;
- (g) promptly refer any persons seeking access to their Personal Information to the College;
- (h) return to the College or, at the College's request, dispose of the Personal Information upon completion or termination of this Agreement;
- (i) give the College access to and the right to audit Supplier's security measures for the Personal Information; and
- (j) notify the College in writing immediately upon becoming aware of any non-compliance with, or breach of, the Supplier's obligations under this Section 8.2 or under Privacy Laws, in which case Supplier shall consult with the College regarding the actions that it intends to take to remedy the breach and shall subsequently implement such actions as may be approved by the College in writing in connection therewith.

8.3 Remedies

(1) It is understood and agreed by the Parties hereto that the College will be irreparably harmed by any breach or threatened breach of Supplier or any of its representatives' obligations under this Section 8, that money damages would not be a sufficient remedy for any such breach or threatened breach of this Section 8, and that in the event of any breach or threatened breach of this Section 8, the College shall be entitled to specific performance, injunctive and/or other equitable relief as a remedy for any such breach, without the necessity of proving actual damages or posting any bond or other security.

8.4 FIPPA

- (1) The Parties acknowledge and agree that FIPPA applies to and governs all Records and may require the disclosure of such Records to third parties. Furthermore, Supplier agrees
- (a) to keep Records secure;
 - (b) to provide Records to the College no later than seven days of being directed to do so by the College for any reason including an access request or privacy issue;
 - (c) not to access any Personal Information unless the College determines, in its sole discretion, that access is permitted under FIPPA and is necessary in order to provide the Goods and/or Services;
 - (d) not to directly or indirectly use, collect, disclose or destroy any Personal Information for any purposes that are not authorized by the College;
 - (e) to ensure the security and integrity of Personal Information and keep it in a physically secure and separate location safe from loss, alteration, destruction or intermingling with other records and databases and to implement, use and maintain the most appropriate products, tools, measures and procedures to do so;
 - (f) to restrict access to Personal Information to those of its directors, officers, employees, agents, partners, affiliates, volunteers or subcontractors who have a need to know it for the purpose of providing the Goods and/or Services and who have been specifically authorized by a College representative to have such access for the purpose of providing the Goods and/or Services;
 - (g) to implement other specific security measures that in the reasonable opinion of the College would improve the adequacy and effectiveness of Supplier's measures to ensure the security and integrity of Personal Information and Records generally; and
 - (h) that any Confidential Information, and the terms of this Agreement, may be disclosed by the College where it is obligated to do so under FIPPA, by an order of a court or tribunal or pursuant to a legal proceeding and the provisions of this Section 8.4 shall prevail over any inconsistent provisions in this Agreement.

8.5 Survival

- (1) The provisions of this Section 8 shall survive and remain in full force and effect following the expiry or termination of this Agreement.

SECTION 9 OWNERSHIP OF MATERIALS

9.1 Ownership of Materials

- (1) Subject to Section 9.1(2), Supplier acknowledges and agrees that all works commissioned by the College under this Agreement, including the reports to be provided by Supplier and related information and all drawings, plans, computer programs, inventions, creations, works, works-in-progress, deliverables and any other works developed pursuant to, or in association or in conjunction with this Agreement, whether presently existing or to be developed in the future, including all copyrightable subject matter, physical embodiments, shapes, forms, representations, applications, compilations, derivations, compositions, and collections or any part and/or division thereof (collectively, the "**Works**"), shall be considered works made for hire. Supplier acknowledges that all right, title and interest, including all intellectual property rights in the Works, except for the Supplier Intellectual Property (as defined in Section 9.1(2)), shall belong to the College and Supplier hereby assigns and shall assign all its right, title and interest, including all intellectual property rights, therein to the College and shall cause its employees

and independent contractors to assign all their right, title and interest, including all intellectual property rights, therein to the College. Supplier expressly waives any and all moral rights or claims in association with the Works and shall cause any person in its employ or independent contractors used by Supplier to similarly waive all such moral rights that they may have in the Works in favour of the College, and its successors, assigns and licensees. Supplier shall execute any reasonable documents necessary to carry out the intent of this Agreement.

- (2) Supplier owns and shall continue to own
- (a) all intellectual property developed or acquired by Supplier prior to the effective date of this Agreement; and
 - (b) any intellectual property developed or acquired by Supplier outside the scope of this Agreement (the **"Pre-Existing Intellectual Property"**).

Supplier may not incorporate any Pre-Existing Intellectual Property in any Works without the prior written consent of the College. If Supplier fails to obtain such consent, any Pre-Existing Intellectual Property incorporated in the Works shall be deemed not to be Pre-Existing Intellectual Property and shall be subject to the rights and obligations set out in Section 9.1. Where the College consents to such incorporation, any Pre-Existing Intellectual Property incorporated in any Works shall be referred to as the "Supplier Intellectual Property". Supplier hereby grants and shall grant a non-exclusive, perpetual, irrevocable, royalty-free, fully-paid up licence to the College to use, copy, reproduce, modify and adapt the Supplier Intellectual Property solely in connection with the Works and to sublicense such rights.

- (3) Supplier acknowledges that as between the Parties, the College has the exclusive right, title and interest in
- (a) all trade-marks, copyrights and other intellectual property rights owned by or licensed to the College for use in Canada; and
 - (b) all materials, processes, methodologies, reports, plans and all other works provided or made available to Supplier or its representatives by or on behalf of the College, including all trade-marks, copyrights and other intellectual property rights therein or associated therewith,

(collectively, the **"College Intellectual Property"**), and shall not at any time do or cause to be done, either directly or indirectly, any act or thing contesting any part of such right, title and interest. Supplier shall not in any manner represent that it has any ownership in the College Intellectual Property. As between the Parties, the College owns and shall own all modifications, enhancement and improvements to the College Intellectual Property regardless of whether such modifications, enhancement or improvements are made by Supplier, the College or a third party. Supplier may only use the College Intellectual Property during the Term for the sole purpose of providing the Goods and/or Services in accordance with this Agreement. All rights not expressly granted are hereby reserved by the College.

- (4) Supplier covenants, represents and warrants to the College, which representations and warranties shall remain true and accurate throughout the Term, that:
- (a) Supplier has, or at the time of delivery shall have, good and marketable title to the Works, free and clear of all liens and encumbrances of any kind whatsoever;
 - (b) Supplier has obtained, or shall have obtained prior to the time of delivery to the College, all consents and approvals from third parties necessary to include trade-marks, copyrights, industrial designs or other intellectual property rights or information in any Work provided by Supplier to the College in connection with the Goods and/or Services; and

- (c) the products, materials and parts incorporated into the Works, including without limitation, the Supplier Intellectual Property, the Works and their use by the College and its licensees do not infringe on any trade-mark, copyright, industrial design or other intellectual property right of any third party.

(5) Supplier acknowledges and agrees that it either owns all right, title and interest in and with respect to all intellectual property it uses in connection with providing the Goods and/or Services, including the Supplier Intellectual Property (other than the Works and the College Intellectual Property) or has validly licensed or contracted with the legal owner to use such intellectual property. Supplier does not have knowledge of any notice, claim or allegation from any Person for any violation or infringement by Supplier of any rights with respect to any such intellectual property or questioning the right of Supplier to use, possess, or distribute such intellectual property. Supplier's use of the intellectual property used in conjunction with the Goods and/or Services, including the Supplier Intellectual Property has not, does not and will not violate or constitute a material breach of any written contractual obligation by which Supplier is bound or, to the knowledge of Supplier, a violation of any laws, regulations, ordinances codes or statutes applicable to Supplier.

(6) Supplier shall notify the College in a timely manner of any:

- (a) claim of which Supplier becomes aware which seeks to invalidate any Supplier Intellectual Property, the College Intellectual Property or Works; or
- (b) infringement or act of unfair competition on the part of any third party with respect to any Supplier Intellectual Property, College Intellectual Property or the Works which Supplier becomes aware.

(7) Upon termination or expiry of this Agreement and/or from time to time upon request by the College, Supplier shall immediately deliver all Works to the College, and no Works except for the Supplier Intellectual Property shall be retained, displayed, or otherwise used by Supplier without the College's express prior written consent, which may be withheld for any or no reason.

(8) The provisions of this Section 9, except the license to the College Intellectual Property in Section 9.1(3), shall survive and remain in full force and effect following the expiry or termination of this Agreement.

SECTION 10 DEFAULT AND TERMINATION

10.1 Termination for Cause

(1) If a Material Default occurs, the College shall be entitled at any time thereafter to terminate this Agreement by the delivery of written notice to Supplier, and upon the effective date of termination specified by the College in any such written notice this Agreement shall terminate, subject to any other provision contained herein that is expressed to survive termination or expiry of this Agreement. The Parties acknowledge and agree that the occurrence of a Material Default shall be incapable of rectification by Supplier.

(2) For the purposes of this Agreement, a material default ("**Material Default**") means:

- (a) any Change of Control with respect to which prior written consent of the College has not been obtained,
- (b) failure of Supplier to fully comply with its obligations under Sections 7, 8, 9, 11 and 17.2 or breach of any other obligation that is incapable by its nature of rectification;
- (c) if Supplier shall
 - (i) generally not pay its debts as they fall due;

- (ii) admit in writing its inability to pay its debts generally, or make a general assignment for the benefit of creditors;
- (iii) institute or have instituted against it any proceeding seeking
 - (A) to adjudicate it a bankrupt or insolvent;
 - (B) any liquidation, winding-up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors or otherwise; or
 - (C) the entry of an order for relief or the appointment of a receiver, trustee or other similar official for it or any substantial part of its assets; or
- (iv) take any corporate action to authorize any of the foregoing; or
- (d) the failure of Supplier to fully comply with any obligation under this Agreement, other than the requirement to give notice pursuant to Section 17.3, the result of which, in the College's sole discretion, could have a material adverse effect on the College's operations or reputation.

(3) Without limiting the College's rights under Section 10.1(1), in the event that Supplier shall at any time fail to fully perform or comply with any provision contained in this Agreement, other than one giving rise to a Material Default, and the College shall have delivered written notice to Supplier requiring the rectification of same, such rectification must be made to the satisfaction of the College in its sole discretion, by the date that is 30 days following the date of delivery of such notice to Supplier to the satisfaction of the College in its sole discretion. If such rectification is not made within such 30 day period, the College shall be entitled at any time thereafter to terminate this Agreement by the delivery of written notice to that effect to Supplier. Upon the effective date of termination specified by the College in any such written notice this Agreement shall terminate, subject to any other provision contained herein that is expressed to survive termination or expiry of this Agreement.

- (4) Supplier may terminate this Agreement, without penalty, and without limiting any other remedy available to it under this Agreement or at law or equity, if,
- (a) the College is in breach of any provision of this Agreement;
 - (b) written notice of such breach is provided to the College by the Supplier; and
 - (c) the breach remains uncured for 30 Business Days following the date of the notice of breach.

10.2 Termination for the College's Convenience

(1) Notwithstanding Section 2.1(1), the College shall be unilaterally entitled at any time, for any or no reason, to terminate this Agreement by the delivery of at least 30 days' prior written notice to that effect to Supplier, and upon the effective date of termination specified by the College in any such notice this Agreement shall terminate, subject to any other provision contained herein that is expressed to survive termination or expiry of this Agreement.

10.3 Consequences of Termination and Expiration

(1) If the College terminates this Agreement, Supplier shall immediately cease any work and shall invoice the College for the portion of the Goods and/or Services performed up to the effective date of such termination.

(2) Upon termination or expiry of this Agreement, as the case may be, or otherwise upon request from time to time by the College, Supplier shall,

- (a) return all the College property and equipment in its (or its employees' or representatives') possession, including badges and security identification;
- (b) remove all of its property and equipment (including that of its employees and representatives) from College property and any other location where Services were being provided; and
- (c) co-operate with, and provide such assistance as may be requested by, the College in order to facilitate the orderly termination and/or transition of the Goods and/or Services with the least amount of inconvenience and disruption to the College's business as is reasonable in the circumstances.

(3) Supplier agrees that the College may perform or arrange to be performed any work necessary to remove Supplier's property and equipment from College property and bill Supplier for all expenses incurred. If Supplier does not remove its property and/or equipment from College property within seven calendar days following any such termination or request, the College may (without further notice) retain such property and equipment for its own use and/or sell any such property and equipment and retain the proceeds therefrom.

(4) The rights and remedies in Sections 10.1, 10.2 and 10.2 are cumulative and in addition to any other right or remedy available under this Agreement, at law or equity.

10.4 Eligibility for Future Procurement Processes

(1) Supplier acknowledges that if a Material Default occurs or if Supplier commits a breach of this Agreement and such breach remains uncured for the period set out in Section 10.1(3), without prejudice to any of the College's rights, the College may, in its sole discretion, disqualify the Supplier from participation in any future procurement process, whether or not the College exercises its right to terminate this Agreement for cause in accordance with Section 10.1. Supplier further acknowledges that the College may, in its sole discretion, take into account any disputes or litigation between the Parties in determining the Supplier's eligibility to participate in future procurement processes.

SECTION 11 INSURANCE

(1) Supplier shall, at its sole cost and expense, put in effect and maintain for the Term, with insurers having a secure A.M. best rating of B+ or greater, or the equivalent, all the necessary and appropriate insurance that a prudent person in the business of the Supplier would maintain including the insurance specified in Schedule 2.

(2) On the Effective Date and upon the placement, renewal, amendment or extension or any part of the insurance, Supplier shall provide the College with confirmation of coverage and, if requested, a certificate of insurance certified by an authorized representative of the insurer.

(3) The College does not in any way represent or warrant that the coverage or limits of insurance specified in Schedule 2 are sufficient or adequate to protect Supplier's interests or liabilities.

SECTION 12 INDEMNITY

12.1 Indemnity

(1) Supplier shall indemnify and save the College, its directors, officers, employees and agents, harmless from and against any and all claims, damages, losses, liabilities, demands, judgments, causes of action, legal proceedings, economic loss (including lost profits), penalties or other sanctions and any and all costs and expenses arising in connection therewith (including legal fees and disbursements on a

substantial indemnity basis) that may, directly or indirectly, result from, arise out of or be in relation to (a) the performance by Supplier, or by any of its employees, subcontractors or other persons for whom it is responsible, of the Goods and/or Services; (b) any breach, violation or non-performance by Supplier, or by any of its employees, subcontractors or other persons for whom it is responsible, of any term, condition, representation, warranty or covenant contained in this Agreement; (c) any failure or delay by Supplier to make or maintain any registration, coverage or payments or file any return or information required by any applicable law; (d) any negligent act or omission of Supplier or any of its employees, subcontractors or other persons for whom it is responsible at law or in equity; and/or (e) any claim that the Goods and/or Services or Works, or their use by the College, directly or indirectly, violate or infringe any intellectual property right or other proprietary right of any person.

(2) The provisions of this Section 12 shall survive and remain in full force and effect following any termination or expiry of this Agreement.

SECTION 13 LIMITATION OF LIABILITY

13.1 Limitation on Liability

(1) The remedies, recourse or rights of the Supplier shall be limited to the College and to the right, title and interest owned by the College in and to all of its personal property, whether now existing or hereinafter arising or acquired from time to time. The Supplier unconditionally and irrevocably waives and releases all other claims, remedies, recourse or rights against the Crown in right of Ontario in respect of this Agreement, and agrees that it shall have no remedies, recourse or rights in respect of this Agreement against the Crown in right of Ontario, any Ministry, Minister, agent, agency, servant, employee or representative of the Crown or any director, officer, servant, agent, employee or representative of a Crown agency or a corporation in which the Crown holds a majority of the shares or appoints a majority of the directors or members, other than against the College and its assets.

(2) The College's maximum aggregate liability for any and all claims and damages arising out of or related to this Agreement, whether arising in contract, tort, strict liability, statute or otherwise shall not exceed the total contract value. The limits of liability are exclusive as to all remedies and the liability cap shall not be increased under any circumstances. The Supplier acknowledges and agrees to this limitation and will arrange for such additional insurance coverage as it may deem necessary.

(3) In no event shall the College be liable for any indirect, special, punitive or consequential damages related in any way to this agreement and/or the provision of services, regardless of the legal theory upon which any such damage claim is based, even upon the fault, tort (including negligence), breach of contract, statute, regulation, or any other theory of law or breach of warranty by, or strict liability of, the College. This exclusion applies even if the College has been advised of the possibility of such damages in advance and even if any available remedy fails of its essential purpose except to the extent caused by willful misconduct of the College.

(4) The provisions of this Section 13 shall survive and remain in full force and effect following any termination or expiry of this Agreement.

SECTION 14 NOTICES

(1) Any notice to be given by this Agreement shall be in writing and effectively given if (a) delivered personally, (b) sent by prepaid courier service or certified/registered mail with a copy by email to the coordinates of the College and the Supplier set out in Schedule 1 or at such other address as the Party to whom such notice or other communication is to be given shall have advised the Party giving same in the manner provided in this Section 14.

(2) Any notice or other communication delivered personally or by prepaid courier service shall be deemed to have been given and received on the day it is so delivered, provided that if such day is not a Business Day such notice or other communication shall be deemed to have been given and received on the next following Business Day. Any notice or other communication sent by registered mail shall be

deemed to have been given and received on the third Business Day following the date of mailing. Regardless of the foregoing, if there is a mail stoppage or labour dispute or threatened labour dispute which has affected or could affect normal mail delivery by the applicable postal service, then no notice or other communication may be delivered by registered mail.

SECTION 15 AUDIT RIGHTS

15.1 Access to Records

(1) Supplier shall make available to the College upon the College's request all relevant documents and records relating to the provision of the Goods and/or Services. Supplier shall allow representatives of the College designated from time to time to visit and inspect Supplier's premises and review any records or books of account relating to the Goods and/or Services on reasonable notice and within normal business hours.

(2) If any such audit or inspection

(a) reveals the Fees paid by the College to be incorrect, so that such error resulted in an overpayment by the College equal to or greater than three percent of Fees required to be paid by the College in accordance with this Agreement; or

(b) reveals any breach, violation or non-performance by Supplier of any term, condition, representation, warranty or covenant contained in this Agreement,

then Supplier shall (in addition to forthwith reimbursing the College for any overpayment) pay all costs incurred by the College with respect to any audit(s) and/or inspection(s) that uncovered such error, including the costs of any internal and external auditors, accountants and associates of the College directly involved with such process.

(3) For purposes of this Section 15.1, Supplier shall retain all relevant documents and records relating to the provision of the Goods and/or Services in a form that is accessible and reproducible for a period of not less than six years or such greater period as may be required by applicable laws.

SECTION 16 DISPUTE RESOLUTION

16.1 Binding Arbitration

(1) Subject to Section 16.1(2), all disputes, disagreements, controversies, questions or claims arising out of or relating to this Agreement, including with respect to this Agreement's formation, execution, validity, application, interpretation, performance, breach, termination or enforcement, or in respect of any legal relationship associated with or arising from this Agreement (collectively and individually, a "**Dispute**"), shall be determined by arbitration in accordance with this Section 16.

(2) Notwithstanding Section 16.1(1), the College shall be entitled to seek, before the courts of the Province of Ontario, specific performance, injunctive and/or other equitable relief for any of the breaches or threatened breaches of this Agreement referenced in Section 8.3(1). For the purposes of this Section 16.1(2), the Parties irrevocably attorn to the jurisdiction of the courts of the Province of Ontario and the Supplier waives any objection to the venue of any proceeding brought by the College in the courts of the Province of Ontario or any objection that such court constitutes an inconvenient forum.

(3) The number of arbitrators shall be one.

(4) The arbitration shall be seated in Toronto, Ontario, Canada, and shall be conducted in the English language.

16.2 Arbitration Procedure

- (1) Any Party may deliver to the other Party a written notice commencing arbitration of a Dispute (a **"Notice of Dispute"**). The party commencing the arbitration (the **"Claiming Party"**) shall include in its Notice of Dispute the names of three individuals who are acceptable to it to serve as the sole arbitrator. Within 10 days of receipt of the Notice of Dispute, the other Party (the **"Responding Party"**) shall give the Claiming Party written notice that it accepts the appointment of one of the three individuals as the sole arbitrator, or shall name three other individuals who are acceptable to it to serve as the sole arbitrator. If the Parties are unable to agree upon a sole arbitrator within a further 10 days, the appointment of the sole arbitrator shall be made by the ADR Institute of Canada, Inc. in accordance with that institution's rules and procedures.
- (2) The sole arbitrator shall be independent of the Parties and shall be a person who, by training and experience, has the qualifications and skills to arbitrate a Dispute.
- (3) The Claiming Party shall include in its Notice of Dispute a statement of the matter in Dispute, the remedy it seeks and the material facts upon which it relies. Within 20 days of receipt of the Notice of Dispute, the Responding Party shall deliver to the Claiming Party a written response (a **"Response to Dispute"**) that includes its position on the Dispute and the material facts upon which the Responding Party relies. If the Responding Party is seeking its own relief in the arbitration, the Response to Dispute shall include a statement of the matter disputed by the Responding Party, the remedy it seeks and the material facts upon which the Responding Party relies.
- (4) Within 30 days of delivery of the Response to Dispute, the Parties shall convene a case conference before the sole arbitrator to address the procedure and timetable for the arbitration. In advance of the case conference, the Parties shall meet and confer on the procedure and timetable, having regard to the monetary amount(s) and the complexity of the matters in issue. In the event the Parties cannot agree on the procedure and timetable, the sole arbitrator shall have jurisdiction to set the procedure and timetable for the arbitration.
- (5) The hearing of the arbitration shall be conducted in Toronto, Ontario, Canada, unless the Parties agree otherwise.
- (6) Any award or determination of the sole arbitrator shall be final and binding upon the Parties and there shall be no appeal on any ground, including, for greater certainty, any appeal on a question of law, fact or mixed fact and law.
- (7) The arbitration shall be kept confidential and the existence of the arbitration proceeding and any element of it (including any pleadings, briefs or other documents submitted and exchanged and testimony or other oral submissions, and any awards made by the sole arbitrator) shall not be disclosed beyond the sole arbitrator, the Parties, their counsel, and any other Person to whom disclosure is reasonably necessary for the conduct of the arbitration, provided that anyone to whom such material is disclosed agrees in advance to keep it confidential and not disclose it for any other purpose. For greater certainty, nothing in this Section 16.2(7) shall preclude a party from disclosing the existence of the arbitration proceeding or any element of it where such disclosure is required by a court, necessary in connection with a judicial challenge to or enforcement of an award made by the sole arbitrator, or otherwise required by law.
- (8) The sole arbitrator may apportion costs of the arbitration, including the reasonable fees and disbursements of the Parties, between or among the Parties in such manner as the sole arbitrator considers reasonable, provided that the sole arbitrator shall not award costs on a distributive basis.
- (9) Any award for the payment of money may include pre-award and post-award interest.

SECTION 17 GENERAL PROVISIONS

17.1 Entire Agreement

(1) This Agreement constitutes the entire agreement between the Parties regarding the subject matter hereof. It is understood and agreed that there are no agreements, conditions, warranties, terms, representations or arrangements, oral or written, statutory or otherwise, other than those contained herein, and that all prior conversations, understandings, arrangements, statements, communications or agreements, oral or written, with respect to this Agreement are hereby superseded. No change, amendment or supplement to any provision of this Agreement shall be binding unless it is in writing and signed by all of the Parties hereto. The Parties agree that any preprinted terms and conditions on any Supplier invoice, work order or similar document shall be of no force and effect, even if signed by both Parties.

17.2 No Assignment

(1) Supplier shall not assign or otherwise transfer any part of this Agreement without the prior written consent of the College, which may be withheld for any or no reason. The College shall be entitled to assign this Agreement by delivery of written notice to Supplier. Subject to any restrictions herein contained, this Agreement shall enure to the benefit of and be binding upon the Parties and their respective successors and permitted assigns.

17.3 Change of Control

- (1) Supplier shall provide written notice to the College immediately upon the occurrence of:
- (a) an actual or proposed change of Control of the Supplier; or
 - (b) a change in circumstances that may materially adversely affect the Supplier in a way which could impair the Supplier's ability to perform its respective obligations under or in connection with this Agreement;

(each such change, a "**Change of Control**").

17.4 Subcontractors

(1) Supplier may not use any subcontractors or agents in connection with the performance of its obligations hereunder without the College's prior written approval. In the event that Supplier performs the Goods and/or Services by use of any subcontractors or agents, Supplier shall be fully responsible for ensuring that such subcontractor and/or agent complies with all of the obligations hereunder. For greater certainty, Supplier shall remain responsible for compliance with all obligations hereunder notwithstanding the use of a subcontractor or agent.

17.5 Joint and Several

(1) Where two or more persons execute this Agreement as the Supplier, the liability under this Agreement of such persons executing this Agreement shall be joint and several.

17.6 Governing Law

(1) This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. The provisions of this Section 17.6 shall survive and remain in full force and effect following any termination or expiry of this Agreement.

17.7 Relationship

(1) This Agreement shall not create or confer upon the Parties hereto, in any way or for any purpose, any relationship except that of contracting parties, and in particular does not create a partnership, a

principal and agent, a joint venture or a landlord and tenant relationship between the College and Supplier or an employer-employee relationship between the College and the employees of and other persons rendering services to Supplier. All dealings by Supplier with its clients, creditors, suppliers, workmen, contractors, agents, employees, and other similar persons shall be conducted exclusively in Supplier's name and Supplier shall not in any manner obligate the College on account thereof, and/or suggest to such persons that the College bears any obligation with respect to same.

17.8 No Waiver

(1) No condoning or waiver by the College of any default or breach by Supplier at any time or times in respect of any of the obligations, terms, covenants and conditions contained in this Agreement to be performed or observed by Supplier shall be deemed or construed to operate as a waiver of the College's rights under this Agreement in respect of any continuing or subsequent default or breach nor so as to defeat or affect in any way the rights and remedies of the College under this Agreement in respect of any such continuing or subsequent default or breach. Unless expressly waived in writing, the failure of the College to insist in any one or more cases upon the strict performance of any of the obligations, terms, covenants and conditions contained in this Agreement to be performed or observed by Supplier shall not be deemed or construed to operate as a waiver for the future strict performance or observance of such agreements, terms, covenants and conditions.

17.9 Severability

(1) If for any reason any term, covenant or condition of this Agreement, or the application thereof to any person or circumstance, is to any extent held or rendered invalid, unenforceable or illegal, then such term, covenant or condition

- (a) shall be deemed to be independent of the remainder of the Agreement and severable and divisible therefrom, and its invalidity, unenforceability or illegality shall not affect, impair or invalidate the remainder of the Agreement or any part thereof; and
- (b) shall continue to be applicable to and enforceable to the fullest extent permitted by law against any person and circumstance other than those to which it has been held or rendered invalid, unenforceable or illegal.

17.10 Cumulative Remedies

(1) The College's rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law or in equity or otherwise. No single or partial exercise by a Party of any right or remedy precludes or otherwise affects the exercise of any other right or remedy to which that Party may be entitled.

17.11 Currency

(1) All references herein to currency are to Canadian currency and all payments shall be made in Canadian currency.

17.12 Language

(1) The Parties acknowledge and agree that they have required that this Agreement be prepared in the English language. Les Parties reconnaissent avoir exigé que les présentes soient rédigées en langue anglaise.

17.13 Counterparts

(1) This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same agreement. Any

counterpart signature transmitted by facsimile or by sending a scanned copy by electronic mail or similar electronic transmission shall be deemed an original signature.

17.14 Further Assurances
