

### Welding Engineering Technician / Technology

Revised March 25/21

**Fall semester** -- *NDT training is currently planned for December 7<sup>th</sup> to 18<sup>th</sup>. Training is 40 hours per week and we can't lose any training days (in fact we also have a Radiation Safety course so one of the weeks is 48 hours).*

- Start of classes, start of Co-op Work Term III – September 9<sup>th</sup>
- End of classes, end of Co-op Work Term III – December 18<sup>th</sup>
- Promotion meeting – December 21<sup>st</sup>

**Winter Semester** – *The specific dates are in order to allow the summer semester to start one week earlier than usual (see summer semester rationale). Note the irregular date for transcribing.*

- Start of classes, start of Co-op Work Term II – January 6<sup>th</sup>
- End of classes – April 21<sup>st</sup>
- Promotion meeting – April 22<sup>nd</sup>
- Transcribing – April 23<sup>rd</sup>

**Summer Semester** – *16-week semester to allow faculty to take more vacation—some faculty have accumulated vacation and need to use it (liability for college).*

- First day of classes – April 26<sup>th</sup>
- Last day of classes – August 13<sup>th</sup>
